

#### **SOLID DECK CENTER**

The solid deck center allows for a variety of vehicles, ATVs, watercraft, or any number of items to be placed on the lift for storage. Available in steel or aluminum.

#### **JACK PLATFORM**

A solid steel platform that provides a stable base for the use of jacks. Bottle Jacks are not included.

#### **MOTORCYCLE VISE**

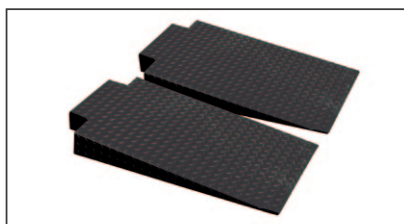

Adjustable vise that clamps on to the ramps of the lift. Built-in hinge allows the vise to be quickly moved out of the way without unbolting.

\*Patent Pending

#### **CASTER KIT**

Makes lift portable. Store lift when not in use, or take it outside where there's more space.

#### **ALUMINUM RAMPS**

These Diamond Plate ramps are only 16 lbs each; they weigh 2/3 less than standard steel ramps.

#### **DRIP PANS**

Use these lightweight pans to prevent spills and leaks from dripping to the floor.
