MORE THAN JUST A CAVE. TOOLS & EQUIPMENT FOR HIS SPACE.

THE DANMAR MANSPLACE LINE: COMFORT CREEPER

Work under your vehicle with ease on our ergonomic rolling creeper. Molded to comfortably support anyone up to 250lbs.

FEATURES

- * Overall size: 40"x18.7"x5.1"
- * 250 lbs capacity
- * Six 3" rubber casters
- * 2 magnetic parts trays
- * Padded headrest

THE DANMAR MANSPLACE LINE: PORTABLE OIL DRAIN

This 8 gallon portable oil drain is designed to be functional, durable and affordable. A built-in oil screen ensures that no debris will not end up in the oil reservoir, and an oil level indicator lets the user know when it is full.

FEATURES

- * 8 gallon capacity
- * Minimum height: 48"
- * Max Height: 67"
- * Convenient hand grip for positive control when draining
- * Wide drain pipe drains oil quickly

THE DANMAR MANSPLACE LINE: BUBBLE WHEEL BALANCER

The ManSpace Bubble Balancer offers you a quick, portable method of balancing wheels for cars and light trucks. The unit is equipped with a self-leveling stand and constructed of lightweight yet durable aluminum.

FEATURES

- * Bubble sensitivity: 0.788 sec per 2 mm
- * Overall height: 23"
- * Overall width: 12"
- * Hub Hole Diameter: 1.5" - 4.5"
- * Weight: 14 lbs.

MORE THAN JUST A CAVE. TOOLS & EQUIPMENT FOR HIS SPACE.

THE DANMAR MANSPACE LINE: JAK'N'GO VEHICLE DOLLY

The JakNGo is a versatile, lightweight car transporter that gives you the flexibility to move your hot rod or “not yet finished” project car around the garage with 360 degree versatility.

FEATURES

- * Rolls easily in any direction
- * Smoothly raises vehicle in seconds
- * 4 jacks place vehicle on 360° rolling platform
- * 1500 LB. capacity per jack
- * Handle tires up to 12” wide

THE DANMAR MANSPACE LINE: THE JAK'N'GO RACK

Those four Jak'N'Gos can take up a lot of space without this handy storage rack. The cart loads and unloads in seconds and rolls easily to the job or storage area.

FEATURES

- * For use only with Danmar Jak'N'Gos
- * Supports up to four Jak'N'Gos

THE DANMAR MANSPACE LINE: SMART CARTS

These auto carts are built with durable steel, which handles 1,000 pounds of weight per auto cart. Not only do they come with heavy-duty wheel casters, but the deep wheel base provides more stability.

FEATURES

- * Heavy-duty ball bearing 3-1/2” wheel casters
- * Designed to move disabled vehicles
- * Sturdy welded steel construction
- * Black powder-coated finish

MORE THAN JUST A CAVE. TOOLS & EQUIPMENT FOR HIS SPACE.

THE DANMAR MANSPLACE LINE: TRACK JACK

Unlike other race-day jacks, this fully anodized race jack has dual-pistons for quicker lifting & an oversized all-aluminum handle. Front roller and back swivel casters provide easy mobility.

FEATURES

- * 1.5 ton capacity
- * Super low-profile
- * Minimum Height: 3.5"
- * Maximum Height: 17.5"
- * 48" handle & quick lift
- * 360° swivel saddle with rubber seat.

THE DANMAR MANSPLACE LINE: OFF-ROAD JACK

This versatile Off-Road Jack has a 28-square inch base that resists sinking into soft ground. It's lightweight, easy to maneuver design can be used for both lifting and wenching.

FEATURES

- * Overall height: 48"
- * Lifting range: 4-15/16" to 40"
- * Base size: 7"x 4-5/8"
- * 4,660-lb. rated lift capacity

THE DANMAR MANSPLACE LINE: MOTORCYCLE JACK

The ManSpace Motorcycle Scissor Jack fits nicely under most motorcycle and ATV frames as well as lawn mowers. It's perfect for wheel removal by allowing the front or rear to be raised for easier service.

FEATURES

- * Works with most motorcycle lifts or from floor level
- * 1,100-lb. capacity
- * Minimum height: 3-1/2"
- * Maximum Height: 15-15/16"

MORE THAN JUST A CAVE. TOOLS & EQUIPMENT FOR HIS SPACE.

THE DANMAR MANSPLACE LINE: TRANSMISSION JACK 1100

The ManSpace 1100 lb. trans-jack will instantly provide you with the ability to safely remove, transfer, and install transmissions. It's built with strong, heavy-duty materials and a smaller footprint.

FEATURES

- * 1100 LB capacity
- * Min: 48.6" - Max: 80.7"
- * Foot operated pump
- * Alloy-plated single stage ram
- * Heavy steel construction for maximum durability
- * Heavy-duty chain anchors

THE DANMAR MANSPLACE LINE: 2-STAGE TRANSMISSION JACK

Built to fulfill a wide range of transmission service needs, this trans-jack is equipped with a fully adjustable saddle, an alloy-plated single stage ram, and an extra-wide base.

FEATURES

- * First Stage: 2,000 lbs
- * Second Stage: 1,000 lbs
- * Min: 34" - Max: 71"
- * Two-stage design
- * Safety overload system
- * Heavy-duty steel swivel casters

THE DANMAR MANSPLACE LINE: TRIPOD JACK STAND

Perfect for placing under a two-post or a four-post lift, this jack stand will provide the extra support needed to perform repair work quickly and safely.

FEATURES

- * 2 ton capacity
- * Super tall & stable
- * Minimum Height: 68.7"
- * Maximum Height: 76.7"

MORE THAN JUST A CAVE. TOOLS & EQUIPMENT FOR HIS SPACE.

THE DANMAR MANSPACE LINE: WORK BENCH

Sturdy, yet striking, this jet-black, powder-coated workbench will provide you with over 6 feet of work space. The rolled edge steel surface is durable for heavy use.

FEATURES

- * Overall Height: 34"
- * Overall Width: 78.7"
- * Overall Depth: 25.5"
- * Number of shelves: 3
- * Materials: Powder-coated finish and steel surface

THE DANMAR MANSPACE LINE: SERVICE CART

The ManSpace Service Cart is ideal for many working situations from the shop, to the office, to the warehouse. Three deep trays provide portable storage and work space wherever you need it.

FEATURES

- * Heavy-duty steel construction
- * Tough black enamel finish
- * Overall Size: 28" x 14.5" x 30.7"
- * Three Trays: 28" x 14.5"

THE DANMAR MANSPACE LINE: ROLLING WORK BENCH

This rolling workbench has a non-slip rubber mat over the 20 x 29" surface. The height is adjustable from 33" to 46" and the ergonomic design allows tray to comfortably reach into engine compartments.

FEATURES

- * Pivoting top and adjustable base
- * Heavy-duty steel construction
- * Includes tool holders
- * Tray Size: 20" x 29"
- * Height: 33" - 46"
