D2-15C TWO-POST LIFT

SKU 5175311

DESCRIPTION

15,000-lb. Capacity / Two-Post Lift / Triple-Telescoping Arms / Includes Deluxe Adapter Kit

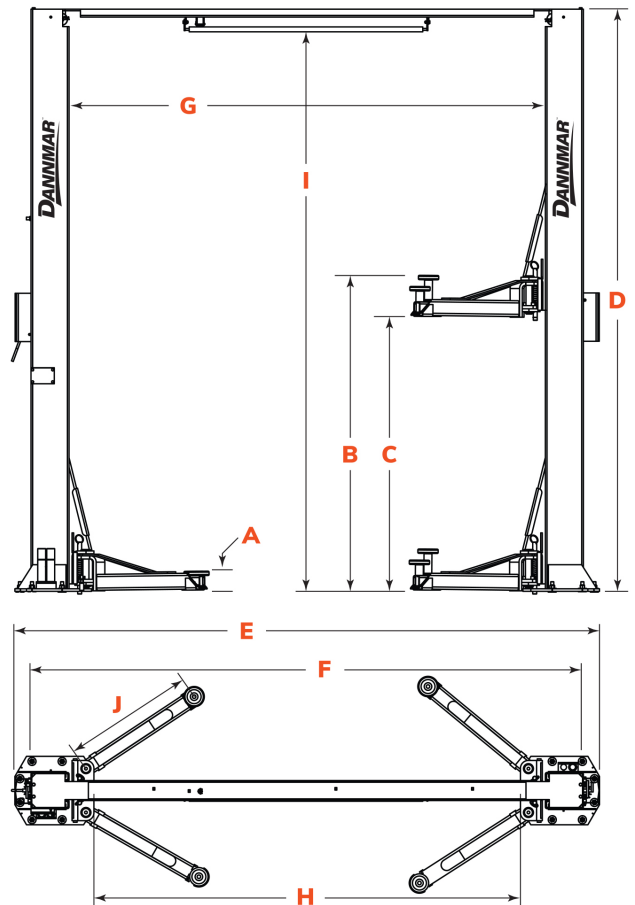

Dannmar's D2-15C two-post lift is capable of raising a 15,000 lb. vehicle and is well suited for heavy-duty lifting. Plus the two columns are placed farther apart to clear far-reaching towing mirrors. And the good news is that of course this lift also works well on many passenger cars.
