

DB-70 WHEEL BALANCER

SKU 5140159

DESCRIPTION

Wheel Balancer / 10"-28" Rim Capacity

Your shop can install new brake rotors, pads, and tires on your customer's car, but they will judge everything they paid for on how perfectly their wheels were balanced. Give them everything they deserve and know that a vibration-free tire balance with Dannmar's DB-70 Wheel Balancer is the shining star on your work.
