

DJ-4500 Adapter Kit

SKU 5210367

DESCRIPTION

DJ-4500 Specialty Adapter Kit / Includes Two Sliding Pads and Two Sliding Receivers

Putting a modified truck on a four-post lift? Having versatile lifting pad options when you need to lift many trucks makes the difference between keeping a repair job moving or getting stuck with a challenge. Dannmar's Truck Adapter Kit for the DJ-4500 Rolling Bridge Jack is comprised of 2 Sliding Pads and 2 Sliding Receivers. With this optional kit you should be able to quickly allow your Dannmar DJ-4500 rolling bridge jack to land squarely on the frame lifting points of vehicles from modified to stock. DJ-4500 bridge jack sold separately.
