

DLR-6 LOW-RISE LIFT

SKU 5175330

DESCRIPTION

6,000-lb. Capacity / Low-Rise Frame Lift

Dannmar's DLR-6 low-rise lifts helps you easily raise vehicles weighing up to 6,000 lbs. and even do so using less shop area. These work well in both commercial shops and for car enthusiasts who need to raise a vehicle for most maintenance type repairs. With the ability to raise the vehicle a little more than two feet, oil changes, tires, brakes, and lower body detailing becomes easier.
