FRAME CRADLE PADS

SKU 5215754

DESCRIPTION

Frame Cradle Pads / 35 mm Pin / Set of 4

If you are working on full-size trucks, vans, or SUVs, then you may be interested in outfitting your two-post lift with Dannmar's Frame Cradle Pad adapters that stay fixed in position. Your truck or SUV's full-perimeter frame fits securely onto the U-shaped steel channel, preventing any potential side-to-side movement of the frame while the lift is raising or up in the air.
