

ALUMINUM DECK

SKU 5210174

DESCRIPTION

Aluminum Deck / Long-Narrow / Fits D4-9X Only / Set of 2

If you like to provide exceptional care for your cars, you'll most likely want to ensure that nothing from a stored car above, drips or falls on the car below. This optional aluminum deck makes every Dannmar D4-9 series four-post lift protect what is stored below. Plus, the aluminum deck is very sturdy to allow you to store boxes, jet skis, or just about anything else you need off the floor.
