MOUNTING FLANGE

SKU 5150524

DESCRIPTION

Mounting Flange for Plastic Tool Head

Your customer's alloy wheels look great, and it's important to keep them unblemished when tires are being replaced. Stay ahead of the game with Dannmar's Plastic Tool Head accessory that's friendly to exotic or custom wheels. Dannmar's rugged plastic construction is designed to not harm wheels and rapidly installs tires that are mounted on a tire changer. Dannmar's Plastic Tool Head accessory easily fastens to the Mounting Flange accessory. Both accessories are required to use with each other.
