SKU 5700227

# ROUND PADS

SKU 5700227

## DESCRIPTION

*Replacement Pads / Round / Set of 4*

Dannmar's replacement round pads engineered for two-post lifts, gently supports the frame or undercarriage and prevents scratching, dinging, or marking, while providing added grip for safety. The circular-design on the round pad engages surfaces, and the slip-over feature makes installation quick and easy.
