

WHEEL PROTECTION KIT

SKU 5150590

DESCRIPTION

*Wheel Protection Kit / Fits DT-50 & DT-50A /
Includes 6 Head Inserts, 4 Clamp Covers, and 2 Blade Covers*

Busting tires on custom or exotic rims? With Dannmar's Wheel Protection kit there's no need to worry about harming rims. Dannmar's wheel protection kit covers the exposed metal parts of the tire changer such as the bead breaker blade and more. All of this gives your customers' wheels ultimate protection during tire changes, and that most importantly protects your shop.
